ABSTRACT

Kartikasari, Yenita Dwi. *Speech Acts in Remember Me Movie Scripts. Skripsi.* English Education Department, Teacher Training and Education Faculty, Muria Kudus University. Advisors : (i) Drs. Suprihadi, M.Pd., (ii) Fitri Budi Suryani, SS, M.Pd.

Keywords: speech acts, illocutionary acts

In our daily life we need to communicate with each other. Language as the main media of communication is important to study. A study of how language is used to communicate is called pragmatics. There are some parts in pragmatics to study. One of them is speech acts. Speech act is the pragmatics element involving the speaker and listener or reader and the writer discussed. In speech acts we will study about the used of utterance in the right aspects. An utterance will have the right meaning if the utterance is said based on the context. Speech acts consist of three types. They are locution, illocution, and perlocution. From the three types of speech acts above, the types that very influence of the occurrence an effect is illocution. In the illocutionary act, the speaker's utterance is having a meaning to influence the hearer to do something that the speakers want.

This research has a purpose to find out the answer from the statement of the problem, what are the types of illocutionary act produced by Ally and Tyler in Remember Me movie script. This is a qualitative research. The qualitative research will not give the numeral or statistic but it depends on the knowledge of the researcher in analyzing data because the data are reported in utterances.

The data source was taken from the Remember Me movie script and it was downloaded in <http://www.imsdb.com/scripts/Remember-Me.html>. In this movie script, I will analyze the utterances that produce by the main characters. This movie scripts is written by William Fetters and Jenny Lumet that revised in April 16th 2009. The data are collected from the utterances that produced by Robert Pattinson (Tyler) and Emilie de Ravin (Ally) in Remember Me movie scripts but it focused in illocutionary act.

In Remember Me movie script, I found assertive (42), directives (21), expressive (16), commisives (7), and declaratives (0). Based on the result of the analysis, I conclude that most of the utterances of illocutionary acts types that were produced by the main characters in Remember Me movie script are representative/assertive. It can be seen from the utterance of the main characters in stating many utterances that they believed to be case or not.

By studying speech acts especially illocutionary acts, we can know the used of language based on the context situation and it will be important to us in communicating to each other.

Keywords: speech acts, tindak ilokusi

Dalam kehidupan sehari-hari, kita membutuhkan berkomunikasi dengan satu sama lain. Bahasa sebagai media komunikasi sangatlah penting untuk dipelajari. Suatu pembelajaran yang mempelajari tentang bagaimana bahasa digunakan disebut prakmatik. Terdapat beberapa bagian dalam prakmatik untuk dipelajari yang salah satunya adalah tindak tutur. Tindak tutur merupakan salah satu bagian prakmatik yang melibatkan pendengar dan pembicara. Dalam tindak tutur kita akan mempelajari tentang penggunaan suatu ucapan dalam aspek yang sesuai. Suatu ucapan akan mempunyai arti yang sesuai apabila diucapkan dalam konteks yang tepat. Tindak tutur terdiri dari tiga bagian yaitu lokusi, ilokusi dan perlokusi. Dari ketiga bagian tindak tutur tersebut, bagian tindak tutur yang sangat mempengaruhi efek suatu peristiwa adalah ilokusi. Dalam tindak ilokusi ucapan pembicara mempunyai makna untuk mempengaruhi pendengar untuk melakukan sesuatu.

Penelitian ini bertujuan untuk menemukan jawaban dari rumusan masalah, Apakah tipe tindak ilokusi yang dihasilkan oleh Ally dan Tyler dalam skrip film Remember Me. Penelitian ini merupakan penelitian kualitatif. Penelitian Kualitatif tidak akan memberikan data perhitungan akan tetapi data yang diberikan berdasarkan pengetahuan peneliti dalam menganalisis data yang berupa ucapan.

Data diambil dari skrip film Remember Me yang di download di <http://www.imsdb.com/scripts/Remember-Me.html>. Dalam skrip film ini, saya akan menganalisa ucapan yang diucapkan oleh tokoh utama. Skrip film ditulis oleh William Fetter and Jenny Lumet yang di ubah pada tanggal 16 April 2009. Saya mengambil data dengan mengumpulkan ucapan yang diucapkan oleh Robert Pattinson (Tyler) and Emilie de Ravin (Ally) dalam skrip film Remember Me akan tetapi focus pada tindak ilokusi.

Dalam skrip film Remember Me, saya menemukan assertive (42), directive (21), expressive (16), commisive (7), and declarative (0). Berdasarkan penelitian analisis. Saya menyimpulkan bahwa ucapan dari tindak ilokusi paling banyak yang dihasilkan tokoh utama adalah Assertive. Hal itu dapat dilihat dari ucapan tokoh utama dalam mengucapkan ucapan yang mereka percayai sesuai atau tidak.

Dengan mempelajari tindak tutur khususnya tindak ilokusi, kita dapat tahu penggunaan bahasa berdasarkan situasi konteks dan hal tersebut akan bermanfaat untuk kita dalam berkomunikasi.
