## ABSTRACT

Malik. 2011. *Analisis of Process Type in the Script Hillary Clinton Speech At Presidential Election*. Skripsi, English Education Department Teacher Training and Education Faculty Muria Kudus University. Advisors: (i) Dr. Slamet Utomo, M.Pd., (ii) Fajar Kartika, S.S., M.Hum

Key words : process type, script, dominant process type

One of the important things in learning is how to make student or learner to be understood. The activity of learner in the class is not usually being successful as we hope as teacher. To know a meaning of material, it is not easy for student. Teacher can make the material look like is simple for student by making simple or divide in some parts. This way can make the material to be more understand for student.

By this analyzis can make the student be understood. So the writer want to analyzis of process type in the script of Hillary Clinton speech was on president election and writers can find the dominant of process type in the script of Hillary Clinton speech. They are material process, mental process, behavioral process, verbal process, relational process, existential process, and meteorological process.

There are something that makes the material look like easy; it is can be caused material itself. So the writer writes its purpose from analyzis, writer want find out the process type found in the script of Hillary Clinton Speech was on president election and to find out the dominant of process type in the script of Hillary Clinton speech was on president election. By using these purposes, it can explain what it's the meaning of process types and knowing kinds of that.

This research is qualitative research, its mean focus on material it does contain of research by using many literatures. Literature is foundation of this research. Then writer collect literature about research, collect script that will be analyzed, divide to be some clause and the analyze each of clause in the script Hillary Clinton speech.

From this research, writer gets the point in making this analyzis research: (1) the next writers that use about analyzis like this have to find the literature many more. (2) Process type more specific than grammar learn so it gives completely for analyzing in the clause. From these, there is one of process type which is dominant of them.

## ABSTRAKSI

Malik. 2011. *Analyzis of Process Type in the Script Hillary Clinton Speech At Presidential Election*. Skripsi, English Education Department Teacher Training and Education Faculty Muria Kudus University. Advisors: (i) Dr. Slamet Utomo, M.Pd., (ii) Fajar Kartika, S.S., M.Hum

Kata kunci : process type, script, dominant process type

Satu hal terpenting dalam pembelajaran adalah mengetahui bagaimana membuat siswa untuk mengerti. Kegiatan siswa di kelas tidak selalu sukses seperti yang kita haarpkan sebagai seorang guru. Dan untuk mengetahui makna dari materi yang diajarkan, hal itu tidak mudah untuk siwa. Guru dapat membuat materi yang diajarkan terlihat lebih sedehana atau membagi dalm beberap bagian.

Melalui analisa ini, hal ini dapat membuat siswa lebih mengerti. Jadi penulis ingin menganalisa process type dalam script dari pidato Hillary Clinton saat berpidato dalam pemilihan president di Amerika Serikat dan penulis ingin mengetahui dominasi terbanyak dari process type dalam script yang ditemukan dari pidato Hillary Clinton. Mereka adalah material process, mental process, behavioral process, verbal process, relational process, existential process, and meteorological process.

Ada beberapa hal yang membuat materi terlihat lebih mudah.hal itu dapat disebabkan oleh materi itu sendirri atau cara guru menyampaikan materi. Jadi penulis menulis tujuan dari analisisnya sehingga hal itu dapat menjelaskan maksud dari process type dan jenis jenisnya.

Research ini adalah qualitative research, hal itu berarti mengacu pada isi yang bersumber dari berbagai sumber. Hal ini dikarenakan sumber atau literature adalah pondasi dari itu. Penulis mengumpulkan berbagai sumber, script yang akan dianalisa, membagi process type kedalam beberapa bagian klausa kemudian menganalisa itu berdasarkan process type.

Berdasarkan analisa ini, penulis mendapat beberapa point dari analisa research (1) penulis selnjutnya harus menemukan lebih banyak sumber terkait.(2) process type lebih spesifik dan lengkap dari mempeajari grammar untuk menganalisa klausa.dari analisa ini ditemukan bahwa material proses adalah yang terbanyak ditemukan dari script tersebut.
