## ABSTRACT

Rimbawan, Agus. 2012. *English Sentence Types Analysis of the Editorials in Jakarta Post Issued in April 2011*. Skripsi: English Education Department Teacher Training and Education Faculty Muria Kudus University. Advisor: (1) Agung Dwi Nurcahyo, SS, M.Pd (2) Mutohhar, S.Pd, M.Pd.

As an English newspaper, the Jakarta post can be a good means to improve the ability of students who study English. It can be a reading material that can enrich student's vocabulary and also an example of grammar reference. And the most important thing is that in the Jakarta post, there is a special column written by a constant writer, an editor, called editorial.

Editorial is written by one people. That's why, the content of the editorial, dealing with its sentence types, is almost similar.

The aim of this research is to give a description of the types of English sentence used in the editorials of The Jakarta Post issued in April 2011.

This research is categorized as descriptive study since it just collects the data, analyzes the data, and draws conclusion based on the analysis of the data. The source of the data in this research is the editorial section of the Jakarta post issued in April 2011. In the month, there are 20 editorials which are analyzed.

The data is gotten by collecting, listing and copying the editorial section in the Jakarta post issued in April 2011. Then the data is analyzed by means of reading the data, identifying the sentence structure used in the text, concerning with the number of paragraphs, the number of sentences, and the type of sentences. After all, a conclusion is made.

From the editorials of the Jakarta post issued in April 2011, the writer find that the number of sentences is 467 sentences. Those sentences consist of 214 simple sentences, 34 compound sentences, 186 complex sentences, and 33 compound-complex sentences.

Each editorial always has five titles in its edition, and each editorial has 6 to 19 paragraphs, and each paragraph mostly consists of 2 to 4 sentences. However, we have found of this paragraph which consist of one long sentence. We can find an example of this paragraph's type in edition April 10.3, paragraph 7.

From this study, the writer suggests that in studying English, students should not depend on their teacher's explanation. Students should apply their knowledge in a real situation. It can be done by analyzing everything dealing with their study.

## ABSTRAKSI

Rimbawan, Agus. 2012. *Analisa Tipe Kalimat pada Editorial Jakarta Pos Terbitan Bulan April 2011.* Skripsi: Program Studi Pendidikan Bahasa Inggris Fakultas Keguruan dan Ilmu Pendidikan Universitas Muria Kudus Pembimbing: (1) Agung Dwi Nurcahyo, SS, M.Pd (2) Mutohhar, S.Pd, M.Pd.

Sebagian Koran berbahasa inggris, The Jakarta Pos dapat menjadi sarana yang bagus bagi para siswa yang belajar bahasa inggris. Koran ini dapat dijadikan sebagai bahan bacaan dan juga rujukan dalam pembuatan kalimat. Dan yang paling penting adalah bahwa di dalam Koran The Jakarta Post ada kolom khusus yang ditulis secara tetap oleh penulis, yaitu editor, yang disebut editorial.

Editorial ditulis oleh satu orang. Oleh sebab itulah isi kalimat secara gramatikal hampir sama, baik itu panjang pendek kalimat ataupun jumlah paragrafnya.

Tujuan dari penelitian ini adalah untuk memberikan sebuah hasil penemuan beserta dengan jumlah data dari tipe – tipe kalimat yang digunakan dalam editorial harian The Jakarta Pos yang diterbitkan pada April tahun 2011. Di bulan tersebut jumlah editorial ada 20, dan semuanya dianalisis.

Data yang ada didapat dengan cara mengumpulkan harian The Jakarta Pos yang diterbitkan pada bulan April tahun 2011, memilih bagian editorial saja, dan kemudian memfoto kopinya. Setelah data diperoleh, penulis kemudian menganalisisnya dengan cara membacanya terlebih dahulu kemudian mengidentifikasi termasuk jenis kalimat apakah kalimat-kalimat yang ada diederitorial tersebut. Langkah terakhir adalah membuat kesimpulan tentang hasil analisis yang telah dibuat.

Dari analisis Editorial di harian The Jakarta Pos yang diterbitkan pada bulan April tahun 2011 penulis menemukan bahwa seluruh kalimat yang ada di 20 editorial tersebut berjumlah 467 kalimat. Dan dari kalimat- kalimat itu, 214 diantaranya adalah simple sentence, 34 compound sentence, 186 complex sentence, dan sisanya, 33 kalimat, adalah compound-complex sentence.

Dimasing – masing editorial selalu mempunyai lima judul pada tiap penerbitannya, dan tiap judul mempunyai kira-kira enam sampai Sembilan belas paragraph dan kebanyakan paragraph terdiri dari dua sampai empat kalimat. Akan tetapi ada juga paragraph yang terdiri dari 1 kalimat yang panjang, yaitu pada editorial tanggal April 10.3 di paragraph tujuh.

Melalui sekripsi ini penulis menyarankan agar dalam mempelajari bahasa inggris, siswa tidak hanya terpaku atau tergabung pada penjelasan guru saja. Siswa seharusnya menerapkan kemampuan yang sudah didapat kedalam situasi yang lebih nyata. Hal ini bisa dilakukan dengan cara menganalisa sesuatu yang berhubungan dengan apa yang dipelajarinya.
