## **ACKNOWLEDGEMENT**

Alhamdulillahirobbil' alamin. There will never be another greatest thank except to Allah SWT, the Almighty for the remarkable blessing and mercy to me, so that this skripsi entitled "Teaching Reading by using Look-say Technique at the Fifth Grade of MI Matholibul Ulum Wotan Sukolilo Pati in Academic Year 2014/2015" is able to be accomplished.

This skripsi is not merely the writer's own work because of having been greatly improved by some great people around her who suggested and guided her by giving comments and advises to make it better. One point is this skripsi is arranged to fulfill the one or requirements for completing the sarjana program. Therefore, she would like to express her deep gratitude to:

1. Dr. Slamet Utomo, M.Pd. the Dean of Teacher Training and Education Faculty.
2. Diah Kurniati, S.Pd, M.Pd. the Head of English Education Department.
3. Fitri Budi Suryani, SS, M.Pd. as the first advisor, for all the time, advice, patience and attention to the writer in completing this skripsi.
4. Nuraeningsih, S.Pd, M.Pd. as her second advisor who had been wise to give corrections and suggestions.
5. The lecturers of English Education Department of Teacher Training and Education Faculty of Muria Kudus University.
6. Anis Agus, S.Pd.I as Headmaster of MI Matholibul Ulum, who permits her to conduct the research in his school.
7. Puspitawati, S.E. as English teacher of fifth grade students in MI Matholibul Ulum.
8. The fifth grade students of MI Matholibul Ulum Wotan Sukolilo Pati.
9. Her beloved Parents and Brother who give the writer love, pray, and support.
10. Her lovely someone who has always given her love, care, support, motivation, suggestion, advises, spirit and inspiration in all the whole time in the compiling this skripsi.

11. All dearest best friends for their support and help in finishing this skripsi (Nova, Rika, Olif, Santi, Nelly, Hafizh, Tama, Roro, Ulul Azmi, and Zaenal).
12. All of the PPL SMANUAL's family for their support and motivation (Khoirul, Atik, Rani, Kiki, Arum and Palupi).
13. All people whom the writer cannot mention; those who has been involved directly or indirectly to the process of writing the skripsi.

Finally, the writer always waits suggestion from the readers which will be fully appreciated. The writer expects that this research will be useful for those, especially who are in the field of education.

## ABSTRACT

Sari, Novita 2015. *Teaching Reading by Using Look-Say Technique at the Fifth Grade of MI Matholibul Ulum Wotan Sukolilo Pati in Academic Year 2014/2015.* Skripsi. English Education Department, Teacher Training and Education Faculty, Muria Kudus University. Advisors: (i) Fitri Budi Suryani, SS, M.Pd. (ii) Nuraeningsih, S.Pd, M.Pd.

**Key words:** *Look-Say technique, Reading, Experimental Research.*

Reading is one of English skills that should be mastered by the students. By reading they get a lot of information that can enhance their knowledge. Teaching reading in Indonesia is not as easy as to imagine. Problems always occur. One of them is the students feel difficult to understand the meaning of the text. This condition also happened in MI Matholibul Ulum Wotan Sukolilo Pati. It is caused by the lack of vocabulary and still depends on the teacher in teaching learning process. They feel difficult to share their idea about the material that is learned. This condition encourages the writer to apply a technique in reading skill. The writer assumes to use Look-say technique in teaching reading related to the students' condition.

The objective of this research is to find whether there is any significant difference between the reading comprehension at the fifth grade MI Matholibul Ulum Wotan Sukolilo Pati in academic year 2014/2015 before and after being taught by using Look-Say Technique through Experimental Research.

The population of the study is fifth grade students of MI Matholibul Ulum Wotan Sukolilo Pati in academic year of 2014/2015. The number of the population and sample for this research are 17 students divided into one class. The writer used purposive sampling. The research design used was an experimental research design with Pre-test and Post-test by using Look and Say technique as a treatment. The research instruments multiple choice tests. At last, the result of the test was analyzed using t-test formula.

The  $t$  (obtained) value is 8.33 in level of significance 5% and degree of freedom " $N-1$ ,  $17-1=16$ ", the  $t$  (table) is 2.120. So, the  $t$  (obtained) value is 8.33 falls in critical region". Because  $t$  (obtained) falls in the critical region, the research hypothesis  $H_1$ , which states that there is a significant difference between the reading comprehension at the fifth grade MI Matholibul Ulum Wotan Sukolilo Pati in academic year 2014/2015 before and after being taught by using Look-Say Technique, was confirmed.

Based on the result above, Look-say technique is effective to teach reading for young learners or elementary school. Moreover, this technique gave positive contribution to the students' reading comprehension. Then, the writer suggests the teacher to use Look-say as the technique in teaching reading and motivate students to study English better than before.

## ABSTRAK

Sari, Novita. 2015. *Pengajaran Membaca Dalam Bahasa Inggris Menggunakan Teknik Look – Say untuk Siswa Kelas Lima MI Matholibul Ulum Wotan Sukolilo Pati Tahun Akademik 2014/2015.* Skripsi. Program Studi Pendidikan Bahasa Inggris, Fakultas Keguruan dan Ilmu Keguruan, Universitas Muria Kudus. Dosen Pembimbing: (i) Fitri Budi Suryani, SS, M.Pd. (ii) Nuraeningsih, S.Pd, M.Pd.

**Key words:** *Teknik Look-Say, keterampilan membaca, penelitian eksperimental.*

Membaca merupakan salah satu skill dalam bahasa Inggris yang harus dikuasai oleh para siswa. Dengan membaca mereka memperoleh banyak informasi yang dapat meningkatkan pengetahuan mereka. Pengajaran keterampilan membaca di Indonesia tidak semudah yang dibayangkan. Masalah selalu muncul, salah satunya adalah siswa merasa kesulitan untuk memahami arti dari sebuah text., Kondisi tersebut juga terjadi pada siswa di MI Matholibul Ulum Wotan Sukolilo Pati. Ini disebabkan kurangnya penguasaan kosakata dan masih tergantung pada guru dalam proses belajar mengajar. Mereka merasa kesulitan untuk mengungkapkan ide mereka tentang sebuah materi yang dipelajari. Kondisi seperti ini mendorong penulis untuk menerapkan sebuah teknik dalam skill membaca. Penulis berasumsi untuk menggunakan teknik Look-say sebagai teknik pengajaran membaca dalam bahasa Inggris yang sesuai dengan kondisi siswa.

Tujuan dari penelitian kali ini adalah untuk mengetahui kemungkinan adanya perbedaan atas kemampuan keterampilan membaca siswa kelas lima MI Matholibul Ulum wotan Sukolilo Pati tahun akademik 2014/2015 sebelum dan sesudah diajar menggunakan teknik Look-say melalui penelitian eksperimen.

Populasi pada penelitian kali ini adalah siswa kelas lima MI Matholibul Ulum Wotan Sukolilo Pati tahun akademik 2014/2015. Jumlah seluruh siswa dan jumlah siswa yang digunakan pada penelitian ini adalah 17 siswa, yang terdiri dari satu kelas. Penulis menggunakan teknik langsung memilih (purposive). Bentuk penelitian eksperimental dengan model Pre-tes dan Paska-tes serta penggunaan Look-say sebagai teknik pengajaran, digunakan oleh penulis dalam penelitian kali ini. Sedangkan instrument yang digunakan adalah pilihan ganda tes yang pada akhir penelitian akan dianalisa menggunakan rumus t-tes.

Hasil perhitungan t, t(hasil) adalah 8,33 pada tingkat signifikan 5% dan derajat bebas N-1, 17-1=16, dan t (tabel) pada 2,120. Angka 8,33 menunjukkan bahwa t(hasil) berada pada daerah kritis. Itu berarti hipotesis penelitian kali ini adalah  $H_1$ , yang menyatakan bahwa ada perbedaan yang signifikan antara kemampuan keterampilan membaca siswa kelas lima MI Matholibul Ulum Wotan Sukolilo Pati tahun akademik 2014/2015 sebelum dan sesudah diajar menggunakan teknik Look-say.

Berdasarkan hasil diatas, teknik Look-say efektif untuk mengajarkan keterampilan membaca pada anak – anak atau anak SD. Selain itu teknik ini memberi kontribusi positif terhadap kemampuan membaca dalam bahasa Inggris siswa. Penulis menyarankan agar guru menggunakan Look-say sebagai teknik

pada pengajaran membaca dalam bahasa Inggris dan dapat memotivasi siswa untuk belajar bahasa Inggris lebih baik dari sebelumnya.
