

Appendix 1

ERASER

[Verse 1]

I was born inside a small town, I lost that state of mind
Learned to sing inside the **Lord's house**, but **stopped** at the age of nine
I forget when I get **awards** now, the wave I had to ride
The paving **stones** I **played** upon, that kept me on the grind
So blame it on the pain that **blessed** me with the life
Friends and family **filled** with envy when they should be filled with pride
And when the world's against me is when I really come alive
And every day that Satan **tempts** me, I try to take it in my stride
You know that I've got whisky with white **lies**, and smoke in my **lungs**
I think life has got to the point, I know without it's no fun
I need to get in the right mind, and clear myself up
Instead, I look in the mirror questioning what I've become
Guess it's a stereotypical day for someone like me
Without a nine-to-five job or an uni degree
To be caught up in the **trappings** of the industry
Show me the locked **doors**, I'll find another use for the key
And you'll see

[Pre-Chorus]

I'm well aware of certain **things** that can destroy a man like me
But with that said give me one more

[Chorus]

Another one to take the sting away
I am happy on my own, so here I'll stay
Save your lovin' **arms** for a rainy day
And I'll find comfort in my pain eraser

[Verse 2]

I used to think that nothing could be **better** than touring the world with my **songs**

I **chased** the pictured perfect life, I think they **painted** it wrong

I think that money is the root of all evil, and fame is hell

Relationships, and **hearts** you **fixed**, they break as well

And ain't nobody wanna see you down in the **dumps**

Because you're **living** your dream, man, this shit should be fun

Please know that I'm not **trying** to preach like I'm Reverend Run

I beg you, don't be disappointed with the man I've become

Conversations with my father on the A14

Age twelve **telling** me I've gotta chase those **dreams**

Now I'm playing for the people, dad, and they know me

With my beaten small guitar, **wearing** the same old jeans

Wembley Stadium crowd's two-hundred-and-forty-thou'

I may have **grown** up, but I hope that Damian's proud

And to the next generation, inspiration's allowed

The world may be filled with hate, but keep erasing it now

Somehow

[Pre-Chorus]

I'm well aware of certain things that will befall a man like me

But with that said give me one more

[Chorus]

Another one to take the sting away

Oh, I am happy on my own, so here I'll stay

Save your lovin' arms for a rainy day

And I'll find comfort in my pain eraser

DIVE

[Verse 1]

Oh, maybe I came on too strong
Maybe I **waited** too long
Maybe I played my cards wrong
Oh, just a little bit wrong
Baby I apologize for it

[Pre-Chorus]

I could fall, or I could fly
Here in your aeroplane
And I could live, I could die
Hanging on the words you say
And I've been **known** to give my all
And jumping in harder than
Ten thousand **rocks** on the lake

[Chorus]

So don't call me baby
Unless you mean it
And don't tell me you need me
If you don't believe it
So let me know the truth
Before I dive right into you

[Verse 2]

You're a mystery
I've **travelled** the world
And there's no other girl like you
No one, what's your history? (What's your history?)

Do you have a tendency to lead some people on?

'Cause I heard you do, mmm

[Pre-Chorus]

I could fall, or I could fly

Here in your aeroplane

And I could live, I could die

Hanging on the words you say

And I've been known to give my all

And lie awake, every day

Don't know how much I can take

[Chorus]

So don't call me baby

Unless you mean it

Don't tell me you need me

If you don't believe it

So let me know the truth

Before I dive right into you

[Pre-Chorus]

I could fall, or I could fly

Here in your aeroplane

And I could live, I could die

Hanging on the words you say

And I've been known to give my all

Sitting back, looking at

Every mess that I made

CASTLE ON THE HILL

[Verse 1]

When I was six years old I broke my leg
I was **running** from my brother and his friends
And **tasted** the sweet perfume of the mountain grass I **rolled** down
I was **younger** then, take me back to when I

[Pre-Chorus]

Found my heart and broke it here
Made **friends** and lost them through the **years**
And I've not **seen** the roaring fields in so long, I know I've **grown**
But I can't wait to go home

[Chorus]

I'm on my way
Driving at 90 down those country **lanes**
Singing to "Tiny Dancer"
And I miss the way you make me feel, and it's real
We **watched** the sunset over the castle on the hill

[Verse 2]

Fifteen years old and smoking hand-rolled **cigarettes**
Running from the law through the **backfields** and getting drunk with my friends
Had my first kiss on a Friday night, I don't reckon that I did it right
But I was younger then, take me back to when

[Pre-Chorus]

We found weekend **jobs**, when we got paid
We'd buy cheap **spirits** and drink them straight
Me and my friends have not **thrown** up in so long, oh how we've **grown**

But I can't wait to go home

[Chorus]

I'm on my way

Driving at 90 down those country lanes

Singing to "Tiny Dancer"

And I miss the way you make me feel, and it's real

We watched the sunset over the castle on the hill

Over the castle on the hill

Over the castle on the hill

[Bridge]

One friend left to sell **clothes**

One **works** down by the coast

One had two **kids** but **lives** alone

One's brother **overdosed**

One's already on his second wife

One's just barely getting by

But these people **raised** me

And I can't wait to go home

[Chorus]

And I'm on my way, I still remember

These old country lanes

When we did not know the **answers**

And I miss the way you make me feel, it's real

We watched the sunset over the castle on the hill

SHAPE OF YOU

[Verse 1]

The club isn't the best place to find a lover

So the bar is where I go

Me and my friends at the table doing **shots**

Drinking fast and then we talk slow

And you come over and start up a conversation with just me

And trust me I'll give it a chance now

Take my hand, stop, put Van the Man on the jukebox

And then we start to dance, and now I'm **singing** like

[Pre-Chorus]

Girl, you know I want your love

Your love was handmade for somebody like me

Come on now, follow my lead

I may be crazy, don't mind me

Say, boy, let's not talk too much

Grab on my waist and put that body on me

Come on now, follow my lead

Come, come on now, follow my lead

[Chorus]

I'm in love with the shape of you

We push and pull like a magnet do

Although my heart is **falling** too

I'm in love with your body

And last night you were in my room

And now my bed **sheets** smell like you

Every day **discovering** something brand new

I'm in love with your body

Oh—I—oh—I—oh—I—oh—I

I'm in love with your body

Oh—I—oh—I—oh—I—oh—I

I'm in love with your body

Oh—I—oh—I—oh—I—oh—I

I'm in love with your body

Every day **discovering** something brand new

I'm in love with the shape of you

[Verse 2]

One week in we let the story begin

We're **going** out on our first date

You and me are thrifty, so go all you can eat

Fill up your bag and I fill up a plate

We talk for **hours** and **hours** about the sweet and the sour

And how your family is **doing** okay

Leave and get in a taxi, then kiss in the backseat

Tell the driver make the radio play, and I'm **singing** like

[Pre-Chorus]

Girl, you know I want your love

Your love was handmade for somebody like me

Come on now, follow my lead

I may be crazy, don't mind me

Say, boy, let's not talk too much

Grab on my waist and put that body on me

Come on now, follow my lead

Come, come on now, follow my lead

PERFECT

[Verse 1]

I found a love for me

Oh darling, just dive right in and follow my lead

Well, I found a girl, beautiful and sweet

Oh, I never knew you were the someone **waiting** for me

'Cause we were just kids when we fell in love

Not **knowing** what it was

I will not give you up this time

But darling, just kiss me slow, your heart is all I own

And in your **eyes**, you're **holding** mine

[Chorus]

Baby, I'm **dancing** in the dark with you between my **arms**

Barefoot on the grass, **listening** to our favorite song

When you said you **looked** a mess, I **whispered** underneath my breath

But you heard it, darling, you look perfect tonight

[Verse 2]

Well I found a woman, **stronger** than anyone I know

She **shares** my **dreams**, I hope that someday I'll share her home

I found a love, to carry more than just my **secrets**

To carry love, to carry children of our own

We are still kids, but we're so in love

Fighting against all **odds**

I know we'll be alright this time

Darling, just hold my hand

Be my girl, I'll be your man

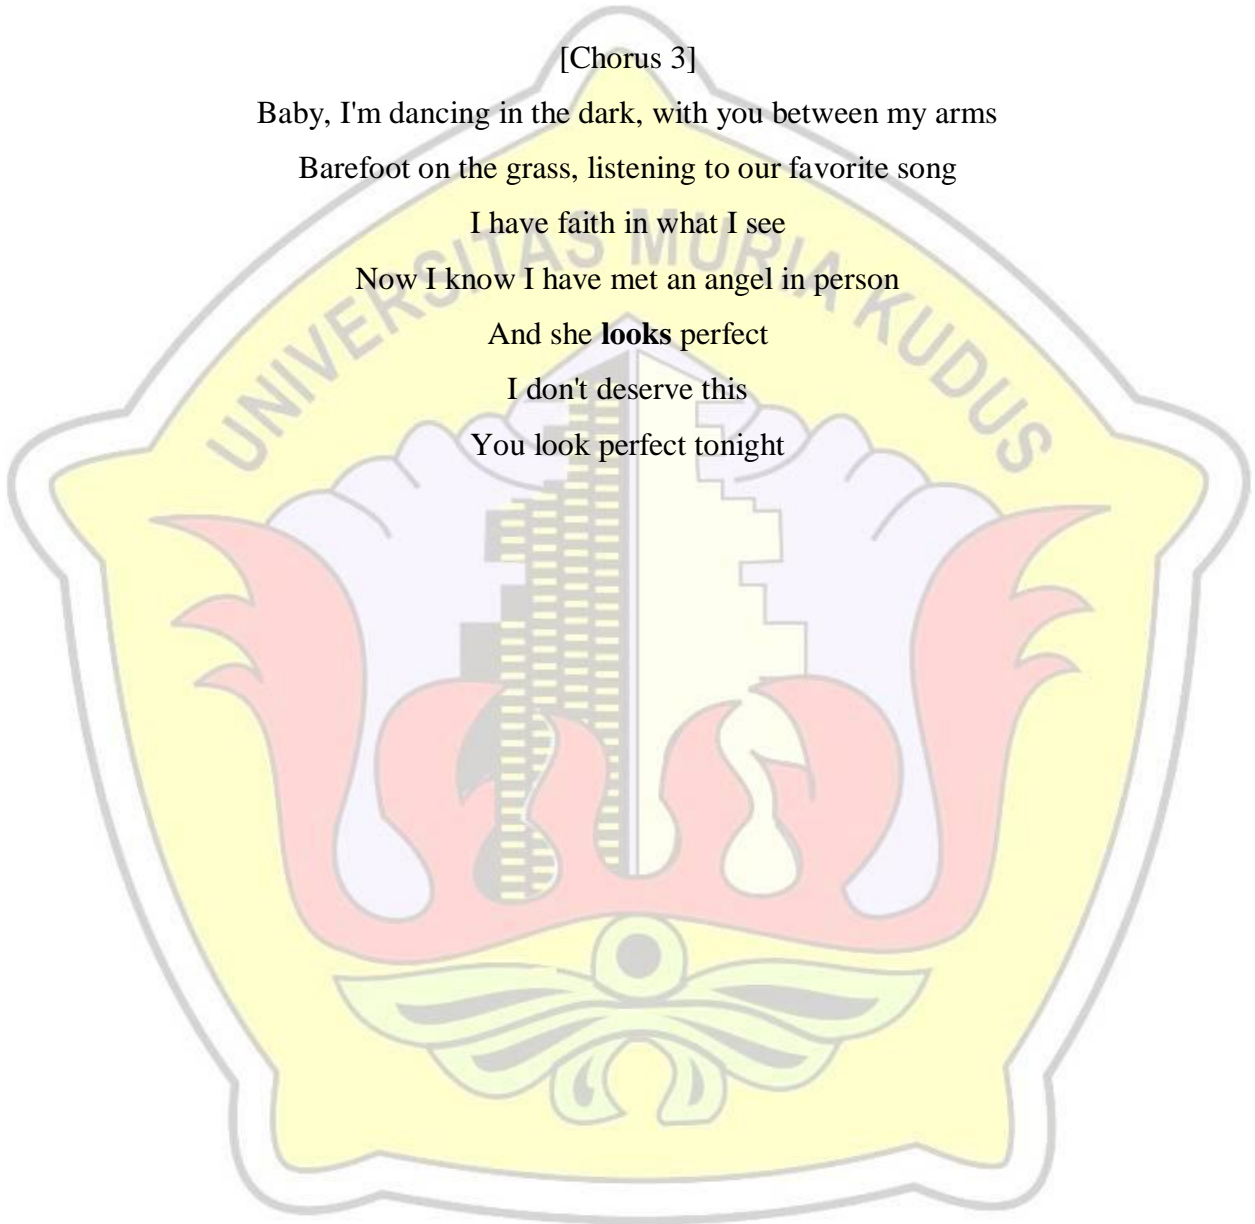

I see my future in your eyes

[Chorus 2]

Baby, I'm **dancing** in the dark, with you between my **arms**
Barefoot on the grass, **listening** to our favorite song
When I saw you in that dress, looking so beautiful
I don't deserve this, darling, you look perfect tonight

[Chorus 3]

Baby, I'm dancing in the dark, with you between my arms
Barefoot on the grass, listening to our favorite song
I have faith in what I see
Now I know I have met an angel in person
And she **looks** perfect
I don't deserve this
You look perfect tonight

GALWAY GIRL

[Chorus]

She **played** the fiddle in an Irish band
But she fell in love with an English man
Kissed her on the neck and then I took her by the hand
Said, "Baby, I just want to dance"

[Verse 1]

I met her on Grafton street right outside of the bar
She **shared** a cigarette with me while her brother **played** the guitar
She **asked** me what does it mean, the Gaelic ink on your arm?
Said it was one of my **friend's songs**, do you want to drink on?
She took Jamie as a chaser, Jack for the fun
She got Arthur on the table with Johnny riding a shotgun
Chatted some more, one more drink at the bar
Then put Van on the jukebox, got up to dance

[Chorus]

You know, she **played** the fiddle in an Irish band
But she fell in love with an English man
Kissed her on the neck and then I took her by the hand
Said, "Baby, I just want to dance"
With my pretty little Galway Girl
You're my pretty little Galway Girl

[Verse 2]

You know she beat me at darts and then she beat me at pool
And then she **kissed** me like there was nobody else in the room
As last f were **called** was when she stood on the stool
After dancing the céili singing to trad tunes

I never heard Carrickfergus ever sung so sweet
A cappella in the bar **using** her feet for a beat
Oh, I could have that voice playing on repeat for a week
And in this **packed** out room swear she was **singing** to me

[Chorus]

You know, she **played** the fiddle in an Irish band
But she fell in love with an English man
Kissed her on the neck and then I took her by the hand
Said, "Baby, I just want to dance"

My pretty little Galway Girl
My, my, my, my, my, my, my Galway Girl
My, my, my, my, my, my, my Galway Girl
My, my, my, my, my, my, my Galway Girl

[Verse 3]

And now we've **outstayed** our welcome and it's **closing** time
I was holding her hand, her hand was holding mine
Our **coats** both smell of smoke, whisky and wine
As we fill up our lungs with the cold air of the night
I **walked** her home then she took me inside
To finish some Doritos and another bottle of wine
I swear I'm gonna put you in a song that I write
About a Galway Girl and a perfect night

[Chorus]

She played the fiddle in an Irish band
But she fell in love with an English man
Kissed her on the neck and then I took her by the hand
Said, "Baby, I just want to dance"

HAPPIER

[Verse 1]

Walking down 29th and park

I saw you in **another's arm**

Only a month we've been apart

You look **happier**

Saw you walk inside a bar

He said something to make you laugh

I saw that both your **smiles** were twice as wide as ours

Yeah, you look happier, you do

[Pre-Chorus]

Ain't nobody hurt you like I hurt you

But ain't nobody love you like I do

Promise that I will not take it personal, baby

If you're **moving** on with someone new

[Chorus]

'Cause baby you look **happier**, you do

My **friends** told me one day I'll feel it too

And until then I'll smile to hide the truth

But I know I was **happier** with you

[Verse 2]

Sat in the corner of the room

Everything's **reminding** me of you

Nursing an empty bottle and telling myself

You're **happier**, aren't you?

[Pre-Chorus 2]

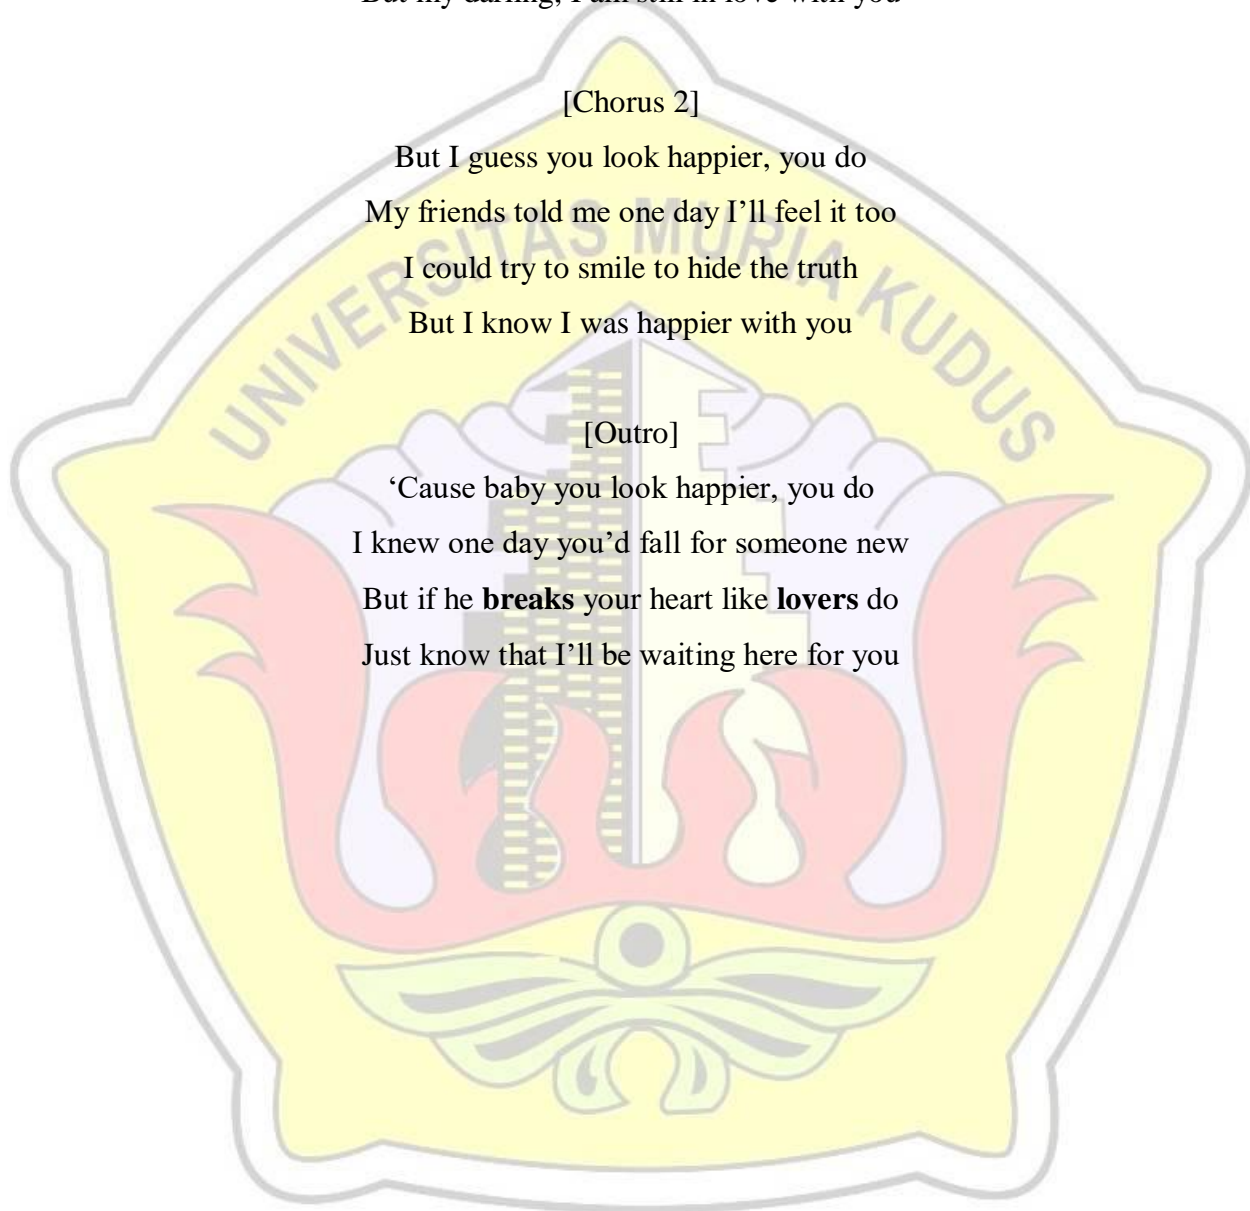

Oh, ain't nobody hurt you like I hurt you
But ain't nobody need you like I do
I know that there's others that deserve you
But my darling, I am still in love with you

[Chorus 2]

But I guess you look happier, you do
My friends told me one day I'll feel it too
I could try to smile to hide the truth
But I know I was happier with you

[Outro]

'Cause baby you look happier, you do
I knew one day you'd fall for someone new
But if he **breaks** your heart like **lovers** do
Just know that I'll be waiting here for you

NEW MAN

[Verse 1]

I **heard** he spent five hundred pounds on jeans
Goes to the gym at least six **times** a week
Wears boat **shoes** with no socks on his feet
And I hear he's on a new diet and **watches** what he **eats**
He's got his eyebrows **plucked** and his arsehole **bleached**
Owns every single Ministry CD
Tribal **tattoos** and he don't know what it **means**
But I **heard** he **makes** you happy, so that's fine by me
But still, I'm just **keepin'** it real
Still **lookin'** at your Instagram and I'll be creepin' a lil'
I'll be tryin' not to double tap, from way back
'Cause I know that's where the trouble's at
Let me remind you of the **days** when
You used to hold my hand
And when we **sipped** champagne out of cider **cans**
I guess if you were Lois Lane, I wasn't Superman
Just a young boy tryin' to be loved
So let me give it to ya

[Chorus]

I don't wanna know about your new man
'Cause if it was meant to be
You wouldn't be callin' me up tryin' to
'Cause I'm positive that he don't wanna know about me
I don't wanna know about your new man
We'll get there eventually
I know you're **missin'** all this kind of love
But I'm positive that he don't wanna know about me

[Verse 2]

Your new man **rents** a house in the 'burb
And **wears** a man bag on his shoulder, but I call it a purse
Every year, he goes to Málaga with all the fellas
Drinks beer, but has a six pack, I'm kinda jealous
He **wears** sunglasses indoors, in winter, at nighttime
And every time a rap song **comes** on, he makes a gang sign
Says "Chune, bwoydem light up the room!"
But enough about him, girl, let's talk about you
You were the type of girl who sat beside the water readin'
Eatin' a packet of **crisps**, but you will never find you cheatin'
Now you're eatin' kale, hittin' the gym
Keepin' up with Kylie and Kim
In the back of the club, kissin' a boy that ain't him
Okay, you need to be alone
And if you wanna talk about it, you can call my phone
I just thought I would tell you, 'cause you oughta know
You're still a young girl tryin' to be loved
So let me give it to ya

[Chorus]

I don't wanna know about your new man
'Cause if it was meant to be
You wouldn't be **callin'** me up tryin' to
'Cause I'm positive that he don't wanna know about me
I don't wanna know about your new man
We'll get there eventually
I know you're **missin'** all this kind of love
But I'm positive that he don't wanna know about me

HEARTS DON'T BREAK AROUND HERE

[Verse 1]

She is the **sweetest** thing that I know
Should see the way she **holds** me when the **lights** go low
Shakes my soul like a pothole every time
Took my heart upon a one way trip
Guess she went wandering off with it
And unlike most women I know
This one will bring it back whole
Daisies, daisies perched upon your forehead
Oh my baby, lately I know

[Chorus]

That every night I'll kiss you, you'll say in my ear
"Oh, we're in love, aren't we?"
Hands in your hair
Fingers and **thumbs**, baby
I feel safe when you're holding me near
Love the way that you conquer your fear
You know hearts don't break around here
Oh yeah, yeah, yeah
Yeah-yeah, yeah-yeah

[Verse 2]

She is the river flow in Orwell
And tin wind **chimes** used for **doorbells**
Fields and **trees** and her smell fill my **lungs**
Spend my summertime beside her
And the rest of the year, the same
She is the flint that **sparks** the lighter

And the fuel that will hold the flame, oh
Roses, roses laid upon your bed spread, oh my
All this, all this I know

[Chorus]

But every night I'll kiss you, you'll say in my ear
"Oh, we're in love, aren't we?"

Hands in your hair
Fingers and **thumbs**, baby
I feel safe when you're **holding** me near
Love the way that you conquer your fear
You know hearts don't break around here
Oh, yeah, yeah, yeah

[Bridge]

Well, I found love **hidden** inside
The **arms** of the woman I know
She is the lighthouse in the night
That will safely guide me home
And I'm not scared of passing over
Or the thought of growing old
'Cause from now until I go

[Chorus]

Every night I kiss you, you'll say in my ear
"Oh, we're in love, aren't we?"

Hands in your hair
Fingers and thumbs, baby
I feel safe when you're holding me near
Love the way that you conquer your fear

You know hearts don't break around here

Oh yeah, yeah

WHAT DO I KNOW?

[Verse 1]

Ain't got a soapbox I can stand upon

But God gave me a stage, a guitar and a song

My daddy told me, "Son, don't you get **involved** in

Politics, religions, other peoples' quarrels"

[Pre-Chorus]

I'll paint the picture, let me set the scene

I know when I have children they will know what it **means**

And I pass on these **things** my family's **given** to me

Just love, and understanding positivity

[Chorus]

We could change this whole world with a piano

Add a bass, some guitar, grab a beat and away we go

I'm just a boy with a one-man show

No university, no degree, but lord knows

Everybody's **talking** 'bout exponential growth

And the stock market crashing and their **portfolios**

While I'll be **sitting** here with a song that I wrote

Sing, love could change the world in a moment

But what do I know?

Love can change the world in a moment

But what do I know?

Love can change the world in a moment

HOW WOULD YOU FEEL

[Verse 1]

You are the one, girl
And you know that it's true
I'm feeling **younger**
Every time that I'm alone with you

[Pre-Chorus]

We were **sitting** in a parked car
Stealing kisses in a front yard
We got **questions** we should not ask, but

[Chorus]

How would you feel
If I told you I **loved** you?
It's just something that I want to do
I'll be taking my time
Spending my life
Fallingdeeper in love with you
So tell me that you love me too

[Verse 2]

In the summer
As the lilacs bloom
Love **flowsdeeper** than the river
Every moment that I spend with you

SUPERMARKET FLOWERS

[Verse 1]

I took the supermarket **flowers** from the windowsill
I threw the day old tea from the cup
Packed up the photo album Matthew had made
Memories of a life that's been loved
Took the get well soon **cards** and stuffed **animals**
Poured the old ginger beer down the sink
Dad always told me, "Don't you cry when you're down"
But mum, there's a tear every time that I blink

[Pre-Chorus]

Oh, I'm in **pieces**, it's **tearing** me up, but I know
A heart that's broke is a heart that's been loved

[Chorus]

So I'll sing Hallelujah
You were an angel in the shape of my mum
When I fell down you'd be there holding me up
Spread your **wings** as you go
When God takes you back
He'll say, "Hallelujah, you're home"

[Verse 2]

I **fluffed** the **pillows**, made the **beds**, **stacked** the **chairs** up
Folded your **nightgowns** neatly in a case
John says he'd drive then put his hand on my cheek
And **wiped** a tear from the side of my face

BARCELONA

[Verse 1]

Well get up, up on the dancefloor tonight
I've got two left feet and a bottle of red wine
Making me feel like the beat and the bassline
Are in my blood, both hands up on her waistline
Get on up, baby, dance to the rhythm of the music
Don't care what the DJ **chooses**
Get lost in the rhythm of me
Place don't close until we wanna leave it

[Chorus]

And you and I, we're **flying** on an aeroplane tonight
We're going, somewhere where the sun is **shining** bright
Just close your eyes
And let's pretend we're dancing in the street

[Verse 2]

Well, get up, up on the dancefloor, move, it's a Saturday night
I fell in love with the sparkle in the moonlight
Reflected in your beautiful eyes
I guess that is destiny **doing** it right
And dance like they do in the Mediterranean
Spin you around me again and again, and
You're like something that God has sent me
I want you, baby, solamente

BIBIA BE YE YE

[Verse 1]

I lost my shoes last night, I don't know where I put my **keys**
I was tired and fell asleep beneath an oak tree
I bet my mother's proud of me from each scar
Upon my knuckle and each graze upon my knee, and all I know
Is I got a cab and then threw up on his car seat
He **kicked** me out and then I **walked** in the rain
I tell myself in every way I won't be **doing** this again
And tomorrow's a brand new day

[Chorus]

Someone told me, "Always say what's on your mind"
And I am only being honest with you, I
I get lonely and make **mistakes** from time to time
Se eniomaenko ye, bibia be ye ye
Bibia be ye ye, ye ye, ye ye
Bibia be ye ye

[Verse 2]

I remember less and less and mostly **things** that I regret
In my phone are several **texts**, from **girls** I've never met
And in the pocket of my jeans are only **coins** and **brokendreams**
My heart is **breaking** at the seams and I'm **coming** apart now
Now **things** are looking up, I'll find my **shoes** right next to the oak tree
And I'll get a bus straight into town and spend the afternoon
Looking around for the **things** that I left on the ground
And say you're with me, tomorrow's a brand new day

[Chorus]

Someone told me, "Always say what's on your mind"

And I am only being honest with you, I

I get lonely and make mistakes from time to time

Se eniomaenko ye, bibia be ye ye

Woonooma(*be ye ye*)

Woonoomamaaaa ye (*be ye ye*)

Woonooma(*be ye ye*)

Woonoomamaaaa ye (*be ye ye*)

Woonooma(*be ye ye*)

Woonoomamaaaa ye (*be ye ye*)

Woonooma(*be ye ye*)

Woonoomamaaaa ye (*be ye ye*)

[Chorus]

Someone told me, "Always say what's on your mind"

And I am only being honest with you, I

I get lonely and make mistakes from time to time

Se eniomaenko ye, bibia be ye ye

Bibia be ye ye, ye ye, ye ye

Bibia be ye ye

Woonooma(*be ye ye*)

Woonoomamaaaa ye (*be ye ye*) (*bibia be ye ye, ye yeye ye*)

Woonooma(*be ye ye*)

Woonoomamaaaa ye (*be ye ye*)

Bibia be ye ye

Woonooma(*be ye ye*)

Woonoomamaaaa ye (*be ye ye*)

Woonooma(*be ye ye*)

Woonoomamaaaa ye (*be ye ye*)

NANCY MULLIGAN

[Verse 1]

I was twenty-four years old
When I met the woman I would call my own
Twenty-two grand **kids** now **growing** old
In that house that your brother bought ya
On the summer day when I **proposed**
I made that wedding ring from dentist gold
And I **asked** her father, but her daddy said, "No
You can't marry my daughter"

[Chorus]

She and I went on the run
Don't care about religion
I'm gonna marry the woman I love
Down by the Wexford border
She was Nancy Mulligan
And I was William Sheeran
She took my name and then we were one
Down by the Wexford border

[Verse 2]

Well, I met her at Guy's in the second World War
And she was working on a **soldier's ward**
Never had I seen such beauty before
The moment that I saw her
Nancy was my yellow rose
And we got **married** wearing borrowed **clothes**
We got eight children, now **growing** old
Five **sons** and three **daughters**

[Chorus]

She and I went on the run
Don't care about religion
I'm gonna marry the woman I love
Down by the Wexford border
She was Nancy Mulligan
And I was William Sheeran
She took my name and then we were one
Down by the Wexford border

[Verse 3]

From her snow white streak in her jet black hair
Over sixty **years** I've been loving her
Now we're sat by the fire in our old **armchairs**
You know Nancy, I adore ya
From a farm boy born near Belfast town
I never **worried** about the king and crown
'Cause I found my heart upon the southern ground
There's no difference, I assure ya

[Chorus]

She and I went on the run
Don't care about religion
I'm gonna marry the woman I love
Down by the Wexford border
She was Nancy Mulligan
And I was William Sheeran
She took my name and then we were one
Down by the Wexford border

SAVE MYSELF

[Verse 1]

I gave all my oxygen to people that could breathe
I gave away my money and now we don't even speak
I drove miles and **miles**, but would you do the same for me?

Oh, honestly?

Offered off my shoulder just for you to cry upon
Gave you constant shelter and a bed to keep you warm
They gave me the heartache and in return I gave a song
It goes on and on

[Chorus]

Life can get you down so I just numb the way it **feels**
I drown it with a drink and out-of-date prescription **pills**
And all the **ones** that love me they just left me on the shelf

No farewell

So before I save someone else, I've got to save myself

[Verse 2]

I gave you all my energy and I took away your pain
'Cause **human beings** are destined to radiate or drain
What line do we stand upon, 'cause from here it looks the same

And only **scars** remain

[Chorus]

Life can get you down so I just numb the way it **feels**
I drown it with a drink and out-of-date prescription **pills**
And all the **ones** that love me they just left me on the shelf

No farewell

So before I save someone else, I've got to save myself

[Verse 3]

But if I don't

Then I'll go back

To where I'm **rescuing** a stranger

Just because they needed saving just like that

Oh, I'm here again

Between the devil and the danger

But I guess it's just my nature

My dad was wrong

'Cause I'm not like my mum

'Cause she'd just smile and I'm **complaining** in a song

But it **helps**

So before I save someone else

I've got to save myself

[Chorus]

Life can get you down so I just numb the way it **feels**

I drown it with a drink and out-of-date prescription **pills**

And all the **ones** that love me they just left me on the shelf

No farewell

So before I save someone else, I've got to save myself

And before I blame someone else, I've got to save myself

And before I love someone else, I've got to love myself

CURRICULUM VITAE

Her name is Ulfia Ramandani, she was born on January 7th 1998 in Kudus. She is the second daughter of her parents. Her father is Mr. Sunardi and her mother is Mrs. Sutiah. She has only one older sister named EryFaida. She lives in NgembalKulon Rt. 01 Rw. 01, Jati, Kudus. She likes singing, playing guitar and making design.

She was graduated from SDN 1 Ngembal Kulon in 2009. Then she continued her study in SMP 1 Mejobo and SMA 2 Bae Kudus. She was called the “walking dictionary” in her class because she likes English very much. She also ever taught her friends in front of the class when she was in high school. She joined in Junior Red Cross club in her High School. She finished her study in SMA 2 Bae Kudus in 2015. After that, she decided to join English Education Department of Muria KudusUniversity. And she joined ESA (English Student Association) as her organization.
