ABSTRACT

Dewi, Ainun Qolbiyan Mustika. 2020. *The Perception of English Education Department Students of Universitas Muria Kudus toward Using Zoom As An Online Learning Platform During Covid-19 Pandemic*. Skripsi. English Education Department. Teaching Training and Education Faculty, Universitas Muria Kudus. Advisors: (i) Drs. Muh Syafei, M.Pd., (ii) Rusiana, S.Pd, M.Pd.

Key words: Students' Perception, Zoom, Online Learning, Covid-19, Pandemic

In 2020 the world is affected by Covid-19 virus and in the current situation online teaching and learning is the only choice that lecturers use to teach students. Zoom is an application that can make video calls more than four people so that it can facilitate the lecturer in teaching the material to be taught. Zoom can be downloaded from Playstore for free. Zoom also has a premium version, in the premium version the zoom application has three types. this type is distinguished by the number of participants in a single meeting.

Based on the problems, the objectives of the research is to find the perception of English Education Department students of Universitas Muria Kudus toward using Zoom as an online learning platform during Covid-19 pandemic.

The researcher used qualitative research in case study. That method was to describe the perception of English Education Departmen students of Universitas Muria Kudus toward using Zoom as an online learning platform duirng Covid-19 pandemic. Researchers collected data through a questionnaire. Then, the researcher analyzed the questionnaire data by reading and analyzing the answers to the questionnaire that the students would fill in, calculating the total responses and putting them into tables, categorizing questionnaire answers, calculating data by category into percentages using the formula to calculate the percentage (Healey, 2011) and interpreting the results.

The writer found that the perception of English Education Department students of Universitas Muria Kudus toward using zoom as an online learning platform during the Covid-19 pandemic were almost the same. All agreed that students can increase active participants during the Covid-19 pandemic. It can be seen in the questionnaire that 47% agree that Zoom can increase the active participants during the Covid-19 pandemic. besides that 56% of students stated that they agree with the Zoom application consumes a lot of internet quota it makes students spend a lot of money.

From all the data obtained by the writer, the writer concluded that the students using zoom as an online learning platform during Covid-19 pandemic had positive perception. They believe that the Zoom application can be used as an online learning platform during the Covid-19 apandemic, even though the students have to pay more but the ease of using the application, the flexibility of the application and the many features contained in the Zoom application can help students learn from home during the Covid-19 pandemic.

ABSTRAK

Dewi, Ainun Qolbiyan Mustika. 2020.. *Persepsi Mahasiswa Jurusan Pendidikan Bahasa Inggris Universitas Muria Kudus terhadap Penggunaan Zoom Sebagai Platform Pembelajaran Online Saat Pandemi Covid-19*. Skripsi. Pendidikan Bahasa Inggris. Fakultas Keguruan dan Pendidikan. Universitas Muria Kudus. Pembimbing: (i) Drs. Muh Syafei, M.Pd., (ii) Rusiana, S.Pd, M.Pd.

Kata kunci: Persepsi Murid, Zoom, Pembelajaran Daring, Covid-19, Pandemi

Pada tahun 2020 dunia terkena virus Covid-19 dan dalam situasi saat ini proses belajar mengajar online menjadi satu-satunya pilihan yang digunakan dosen untuk mengajar mahasiswa. Zoom merupakan aplikasi yang dapat melakukan video call lebih dari empat orang sehingga dapat memudahkan dosen dalam mengajarkan materi yang akan diajarkan. Zoom dapat diunduh dari Playstore secara gratis. Zoom juga memiliki versi premium, di versi premium aplikasi zoom memiliki tiga jenis. jenis ini dibedakan berdasarkan jumlah peserta dalam satu pertemuan.

Berdasarkan permasalahan tersebut, maka tujuan dari penelitian ini adalah untuk mengetahui persepsi mahasiswa Jurusan Pendidikan Bahasa Inggris Universitas Muria Kudus terhadap penggunaan Zoom sebagai platform pembelajaran online pada saat pandemi Covid-19.

Peneliti menggunakan penelitian kualitatif dalam studi kasus. Metode tersebut untuk mendeskripsikan persepsi mahasiswa Jurusan Pendidikan Bahasa Inggris Universitas Muria Kudus terhadap penggunaan Zoom sebagai platform pembelajaran online duirng pandemi Covid-19. Peneliti mengumpulkan data melalui kuesioner. Kemudian peneliti menganalisis data angket dengan membaca dan menganalisis jawaban angket yang akan diisi siswa, menghitung total tanggapan dan menaruhnya dalam tabel, mengkategorikan jawaban angket, menghitung data menurut kategori menjadi persentase menggunakan rumus persentase (Healey, 2011) dan menginterpretasikan hasil.

Penulis menemukan bahwa persepsi mahasiswa Jurusan Pendidikan Bahasa Inggris Universitas Muria Kudus terhadap penggunaan zoom sebagai platform pembelajaran online pada saat pandemi Covid-19 hampir sama. Semua sepakat bahwa siswa dapat meningkatkan peserta aktif selama pandemi Covid-19. Terlihat dari kuisisioner bahwa 47% setuju Zoom dapat meningkatkan partisipan aktif selama pandemi Covid-19. Selain itu 56% mahasiswa menyatakan setuju dengan aplikasi Zoom yang banyak memakan kuota internet membuat mahasiswa banyak mengeluarkan uang.

Dari semua data yang penulis peroleh, penulis menyimpulkan bahwa siswa yang menggunakan zoom sebagai platform pembelajaran online selama pandemi Covid-19 memiliki persepsi positif. Mereka meyakini bahwa aplikasi Zoom dapat digunakan sebagai platform pembelajaran online selama apandemi Covid-19, walaupun mahasiswa harus mengeluarkan biaya yang lebih mahal namun kemudahan penggunaan aplikasi, fleksibilitas aplikasi dan banyaknya fitur yang terdapat pada Zoom Aplikasi dapat membantu siswa belajar dari rumah selama pandemi Covid-19
