ABSTRACT

Madjdi. A.H and Rokhayani, A. 2018. Parataxis and Hypotaxis in Clause Complexes Found in the Conclusion of “Skripsi” Written by Students of English Education Department of Muria Kudus University in April 2017 Graduation Period.

Keywords: *Parataxis, Hypotaxis, Clause Complexes*

Writing is considered the difficult thing to do by the students. They have to share the ideas and connect one clause to another clause. Writing skripsi is not difference from other scientific writing as many things should be considered. In the end of the skripsi, the students have to write conclusion that containing the summary of the skripsi.

This study focuses on the analysis and the implication of clauses complexes produced by the students. The writers analyzed the conclusion of skripsi written by the students of English Education Department of Muria Kudus University in April 2017 graduation period.

The design of the research is descriptive qualitative which aims at investigating the text written by the students. The data source of this research is the conclusion of skripsi written by the students of English Education Department of Muria Kudus University in April 2017 graduation period.

The result of this research shows that the students produced 243 clauses complexes consisting 144 parataxis and 160 hypotaxis. So, they produced more dependent clause than independent clauses in their conclusion of skripsi.

This research hopefully gives contribution to English Education Department especially for the students that they need to develop their writing and they have to consider about the cohesion and coherence of the text.

Menulis merupakan hal yang dianggap sulit bagi mahasiswa. Mereka harus menuangkan ide dan menghubungkan satu klause dengan klause yang lain. Menulis skripsi tidak berbeda dari menulis akademik yang lain yang harus memperhatikan banyak hal. Di bab akhir skripsi, mahasiswa harus menulis kesimpulan yang mengandung ringkasan skripsi.

Penelitian ini memfokuskan pada analisis dan implikasi dari klause kompleks yang ditulis oleh mahasiswa. Penulis menganalisis kesimpulan skripsi yang ditulis oleh mahasiswa Pendidikan Bahasa Inggris Universitas Muria Kudus pada periode lulusan April 2017.

Metode penelitian ini adalah deskripsi kualitatif yang bertujuan untuk menginvestigasi teks yang ditulis oleh mahasiswa. Sumber data dari penelitian ini adalah kesimpulan skripsi yang ditulis oleh mahasiswa Pendidikan Bahasa Inggris Universitas Muria Kudus pada periode lulusan April 2017.

Hasil dari penelitian ini menunjukkan bahwa mahasiswa menulis 243 klaus kompleks yang terdiri dari 144 parataksis dan 160 hipotaksis. Jadi, mereka menulis klaus dependen yang lebih banyak daripada klaus independen di kesimpulan skripsi mereka.

Penelitian ini memberikan kontribusi pada Pendidikan Bahasa Inggris khususnya mahasiswa dimana mereka seharusnya meningkatkan tulisan mereka dan memperhatikan kohesi dan keherensi tulisan.
