PREFACE

It is a great honour that the English Education Department of Muria Kudus University gets the second chance to host the 2nd National Conference on Teaching English for Young Learners in Indonesia (TEYLIN). The conference is conducted to address the efforts that have been dynamically made for improving the quality of Teaching English for Young Learners in Indonesia (TEYLIN). It is also to respond to the ideas and suggestions on policy which have been continuously encouraged to endorse the efforts. Policies and new teaching models are necessarily promoted in intensive discussions to make the programs of TEYLIN a success. With regard to the efforts, the English Education Department of Muria Kudus University has called for paper to be presented in the 2nd National Conference on Teaching English for Young Learners (TEYLIN) which is conducted on July 10-11, 2012.

Theoretical and/or empirical (research-based) papers of TEYLIN presented in the conference have been compiled in a proceeding. The proceeding is published to document all the papers presented in the conference. The plenary and parallel session speakers present their views on emerging issues related to the Teaching English to Young Learners in Indonesia (TEYLIN). The topics of the conference include the TEYLIN-related areas such as (1) Current Development and Implementation of TEYLIN, (2) Syllabus, and Material Development of TEYLIN, (3) Cultural Insights for TEYLIN, (4) ICT, Games, Media, Methods, and Assessment/Evaluation for Practices of TEYLIN, (5) Local Literature for TEYLIN and (6) Linguistic Aspects of TEYLIN.

We would like to express our deepest gratitude to all contributors of the presenters in plenary and parallel sessions of the conference. Because of time constraints and other technical matters, the committee has realized that there are several weaknesses in the proceeding publication. Hopefully this publication of TEYLIN will be of some theoretical, empirical and practical significance.

Kudus: July 10, 2012

The Chairman of the Committee

Mutohhar, S.Pd., M.Pd.
