*Assalamu 'alaikum w.w.*

Ladies and gentlemen, good morning

First of all, let us thank Allah, the Almighty, for blessing and guiding us into the right path, and for granting all means and opportunities together here to attend this very meaningful occasion.

On behalf of the University of Ahmad Dahlan, we are greatly honored and pleased to welcome you all to the Second UAD TEFL International Conference on "New Paradigms in Teaching English as a Foreign Language". As we know, Teaching English as a Foreign Language in Indonesia has become an issue which is dynamic, progressive and always worth discussing. English professors, teachers, experts and practitioners have always been very keen on conducting both academic discussions and researches in order to find new ideas, strategies, methods, approaches and paradigms in teaching English as a foreign language in Indonesia.

However, plenty of the people practicing in teaching English as a foreign language in Indonesia are not aware of them. Many issues concerning teaching English as a foreign language in Indonesia still remain unclear and need to be disclosed. To raise awareness of the paradigms in teaching English as a foreign language in Indonesia, English Education Department of University of Ahmad Dahlan holds this conference to offer you a unique opportunity to share ideas and experiences and to discuss evolving paradigms in TEFL in Indonesia, which we definitely hope to result in the improved practice of teaching English as a foreign language in Indonesia.

We would also like to extend our gratitude especially to Dr. Dat Bao and Ilia Leikin of Monash University Australia, Professor Abdul Rashid Mohammed, Ph.D. and Dr. Shaik Abdul Malik Mohamed Ismail of Universiti Sains Malaysia, Eran Williams, M.A. of Regional English Language Office, U.S. Embassy, Professor Irene A. Largo, Ph.D. of University of Nueva Caceres, Philippine and Professor Bustami Subhan M.S. of University of Ahmad Dahlan who have accepted our invitation to become the invited speakers of today's Conference.

## Foreword

We would like to welcome you to 2012 UAD TEFL International Conference “New Paradigms in Teaching English as a Foreign Language”, the second conference on Teaching English as a Foreign Language held by English Education Department University of Ahmad Dahlan, Yogyakarta. It is an exciting time to be involved in the world of TEFL in Indonesia as the area of discussion is getting larger and more dynamic. This year, the conference attracts more people both as presenters or participants, coming from national and international institutions. This has been reflected in the record number of abstract submissions received for UAD TEFL International Conference: 120 in total. This is an extremely time consuming and energy demanding process and we are grateful to the reviewers for all their work. At the review meeting 100 abstracts were accepted for parallel presentation session. However, among these abstracts senders, not all of them submitted their full paper version up to the deadline, so, there are 62 out of 100 papers which are made available in the conference proceedings.

We would like to thank Dr.Dat Bao of Monash University, Australia; Dr. Shaik Abdul Malik Mohamed Ismail of University Sains Malaysia, Malaysia; Professor Bustami Subhan, M.S. and Drs. Surono, M.Hum of University of Ahmad Dahlan, Indonesia, for their help, and guidance during the reviewing and editing processes. It's a privilege for us to have them as the board of the reviewers for the conference proceedings. In addition, we would also like to appreciate many people who have helped in preparing and organizing the conference including preparing the printed proceedings.

The absence of the guidelines of this publication has caused to different types of paper styles. While most of the papers in this publication follow the regular standards of academic writing – including abstract, keywords and references - , there are few of them do not. We keep them as what they are.

We hope that you enjoy reading the conference proceedings and find it an inspiring and enlightening one.
