ACKNOWLEDGEMENT

Alhamdulilah praise to Allah SWT, the Most Merciful and the Most Almighty, who has given the writer a chance to finish this skripsi entitled “The Use of Secret Message Game to Improve the Students Vocabulary Mastery (A Classroom Action Research of SD 1 Prambatan Kidul Kudus in Academic Year 2014/2015).”

The writer would like to express my greatest gratitude and appreciation to:

1. Dr. Drs. Slamet Utomo, M. Pd, the Dean of Teacher Training and Education Faculty of Muria Kudus University.
 2. Diah Kurniati, S. Pd, M. Pd, the Head of English Education Department.
 3. Dra. Sri Endang Kusmaryati, M.Pd as the first advisor and Farid Noor Romadlon, S. Pd, M.Pd as the second advisor, who have accurately guided the writer during the writing of skripsi.
 4. All lecturers of English Education Department of Teacher Training and Education Faculty of Muria Kudus University for valuable knowledge, guidance, and advices during the years of her study.
 5. Mrs. Lina Fushha Munawaroh, S.Pd as the English teacher of the fifth grade in SD 1 Prambatan Kidul Kudus who has helped and supported me in accomplishing this skripsi.
 6. Her beloved parents, Mr. Setyo Sutikno, S.pd and Mrs. Siti Sumarni, and my brother, Azmi Rosyid Syarifudin as well the entire families who give me everything and give endless supports.
 7. The big family of English Education Department 2011 of Muria Kudus University.
 8. Her best friends(Vrida, Sella, Ike, Pipit, Icha, Olla, Giani) who always extraordinary support and everlasting warm care.
 9. Anyone who always encourages and prays for her.
- The writer sincerely hope this skripsi will be useful for everyone.

ABSTRACT

Setyani,Arsita. 2015. *The Use of Secret Message Game to Improve the Students' Vocabulary Mastery (A Classroom Action Research Of SD 1 Prambatan Kidul Kudus In Academic Year 2014/2015)*. Skripsi: English Education Department, Teacher Training and Education Faculty, Muria Kudus University. Advisor: (1) Drs. Sri Endang Kusmariyati, M.Pd. (2) Farid Noor Romadlon, S.Pd, M.Pd.

Key words: *Secret Message Game, Vocabulary Mastery, classroom action research*

Vocabulary is a basic aspect that can be used to explore thoughts and ideas, because the students can explore knowledge in sentences from vocabulary. In fact, many people think that teaching vocabulary is difficult. It is caused the teacher always use teacher centered learning. Student's involvement also less in learning process. On the other hand, teacher has limited a new technique to teaching English vocabulary. That condition also happened in SD 1 Prambatan Kidul Kudus. The other reason, the students still have difficulties to learn English and had difficulties to memorize vocabularies and understand their meaning. Common errors are found when the students were asked to fulfill incomplete sentence and rearrange letter into words, and also arrange words in sentences. The teacher needs to choose and employ a certain language game to improve student's vocabulary mastery. One of game that can be used in teaching vocabulary is the Secret Message Game. In this game the students feel enjoy and comfortable without having burden in learning English. Through this Secret Message Game, the students find it easier to understand and memorize vocabularies that have been taught. After analyzing the problem, the writer assumed to use Secret Message Game to improve the student's vocabulary mastery.

The objective of this research is to find out if the Secret Message Game can improve the vocabulary mastery of the fifth grade students of SD 1 Prambatan Kidul Kudus in the academic year 2014/2015 through Classroom Action Research (CAR).

The design of this research was collaborative Classroom Action Research and it was done in two cycles. The subjects of this research were the fifth grade students of SD 1 Prambatan Kidul Kudus in the academic year 2014/2015 with the number of the students were 19. The writer used two instruments to collect the data. They were observation sheet and vocabulary mastery test

The results of this research increased in every cycle. First, the implementation of Secret Message game makes the students are more interested in learning vocabulary. In the cycle I, they did not enjoy the activities in the classroom. While in the cycle 2, they became enthusiastic to follow the activities in the classroom. Second, the students' vocabulary mastery has been improved. It could be seen in cycle I, the average score percentage of students in having achievement test was 77.89%. It could be categorized good which is showed

84.21% (16 students) could reach the KKM and 15.79% (3 students) could not reach the KKM. In cycle 2, the average score percentage of students in having achievement test was 87.89%. It could be categorized excellent which is showed 94.73% (18 students) could reach KKM and 5.27% (1 student) could not reach the KKM.

Based on the result of the research above, the writer conclude that the use of Secret Message Game can improve the students' vocabulary mastery of the fifth grade students of SD 1 Prambatan Kidul Kudus in the academic year 2014/2015. Therefore, this technique can be used by the English teacher and the other researcher to teach vocabulary mastery.

ABSTRAK

Setyani, Arsita. 2015. *Penggunaan Permainan Pesan Rahasia untuk Meningkatkan Penguasaan Kosakata Siswa (Sebuah Penelitian Tindakan Kelas Pada Siswa Kelas V SD 1 Prambatan Kidul Kudus Tahun Ajaran 2014/2015)*. Skripsi: Pendidikan Bahasa Inggris, Fakultas Keguruan Dan Ilmu Pendidikan Universitas Muria Kudus. Pembimbing: (1) Drs. Sri Endang Kusmariyati, M.Pd. (2) Farid Noor Romadlon, S.Pd, M.Pd.

Kata-kata kunci: *Secret Message Game, Penguasaan Kosakata, penelitian tindakan kelas.*

Kosakata (vocabulary) merupakan aspek dasar yang digunakan untuk menguraikan suatu pemikiran atau ide, karena siswa dapat menguraikan pemikirannya dalam kalimat melalui kosakata. Faktanya, banyak orang yang beranggapan bahwa mengajar kosakata adalah sulit. Itu disebabkan karena dalam process pembelajaran hanya menggunakan pembelajaran yang berpusat pada guru. Keterlibatan siswa kurang diterapkan dalam process pembelajaran. Disisi lain, guru juga terbatas dalam penggunaan teknik baru dalam pembelajaran kosatkata Bahasa inggris. Kondisi tersebut juga terjadi di SD 1 Prambatan Kidul Kudus. Disamping itu siswa juga masih kesulitan dalam belajar kosakata Bahasa inggris dan memiliki kesulitan untuk menghafal kosakata dan memahami artinya. Kesalahan umum ditemukan saat siswa diminta untuk memenuhi kalimat tidak lengkap dan menyusun ulang huruf menjadi kata-kata, Dan juga menyusun kata-kata menjadi kalimat. Guru perlu memilih dan menggunakan permainan bahasa tertentu untuk meningkatkan penguasaan kosakata siswa. Salah satu game yang dapat digunakan dalam pengajaran kosakata adalah permainan Pesan Rahasia. Dalam permainan ini siswa merasa enjoy dan nyaman tanpa beban dalam belajar bahasa inggris. Melalui Permainan Pesan Rahasia, para siswa menemukan kemudahan untuk memahami dan menghafal kosakata yang telah diajarkan. Setelah menganalisa permasalahan yang ada, peneliti menyarankan menggunakan secret message game untuk meningkatkan pemahaman siswa tentang kosakata Bahasa inggris.

Tujuan dari penelitian ini adalah untuk menemukan bahwa secret message game dapat meningkatkan pemahaman kosakata Bahasa inggris siswa kelas V SD 1 Prambatan Kidul Kudus tahun ajaran 2014/2015 yang berdasarkan penelitian tindakan kelas.

Rancangan penelitian ini menggunakan penelitian tindakan kelas kolaboratif yang dilaksanakan dalam dua siklus. Subjek penelitian ini adalah seluruh siswa dikelas lima SD 1 Prambatan Kidul Kudus pada tahun ajaran 2014/2015 yang berjumlah 19 siswa. Saya menggunakan dua instrument penelitian. Yaitu lembar observasi dan tes penguasaan kosakata Bahasa Inggris.

Hasil dari penelitian ini menunjukkan peningkatan disetiap siklus pertama. Penerapan teknik Secret Message Game menjadikan siswa lebih tertarik

untuk belajar kosakata Bahasa Inggris.Pada siklus I, mereka tidak menikmati berbagai kegiatan didalam kelas.Sedangkan pada siklus II, mereka menjadi antusias untuk mengikuti berbagai kegiatan tersebut.Kedua, kemampuan penguasaan kosakata siswa telah meningkat.Hal ini dapat dilihat pada hasil dari siklus I, nilai rata-rata penguasaan kosakata Bahasa inggris siswa mencapai 77.89%.dikategorikan baik dengan menunjukkan 84.21% (16 siswa) telah mencapai Kreteria Ketuntasan Minimum (KKM), sedangkan 15.79% (3 siswa) belum mencapai KKM. Pada siklus 2, nilai rata-rata siswa mengalami peningkatan menadi 87.89% dan dikategorikan unggul, hal tersebut terlihat sebesar 94.73% (18 siswa) telah mencapai KKM sedangkan 5.27% (1 siswa) belum mencapai KKM.

Berdasarkan hasil penelitian diatas, dapat disimpulkan bahwa Secret Message Game dapat meningkatkan kemampuan penguasaan kosakata Bahasa Inggris siswa di kelas lima SD 1 Prambatan Kidul Kudus pada tahun ajaran 2014/2015. Oleh karena itu, teknik ini dapat digunakan oleh guru Bahasa Inggris maupun peneliti lain untuk mengajar penguasaan kosakata Bahasa Inggris siswa
